Re: Proposed Map Amendment
Savage Coal Terminal
C/007/022
Carbon County, Utah

Dear Mr. Haddock:

Enclosed are 3 copies of a proposed amendment to the Savage Coal Terminal MRP. This proposal is to add a coal stockpile/material storage area east of the wash plant. This area has long been used as a material storage area, and is in the disturbed area draining to Sediment Pond No. 6. This site has recently been cleaned out, and is now proposed to use it primarily for coal stockpile; however, some material will also be stored in the designated area. The submitted map also has some notes added to clarify the location of the fuel tanks and oil/grease storage.

An update Plate 5-2 and required C1/C2 Forms are included. If you have any questions, or need additional information, please let me know.

Sincerely,

Garth Nielsen
General Manager
